swallow whole  
lose myself in you  
take a chance  
take a chance with me

poured out in wine  
chance to run away  
take a breath  
take a breath  
same sign

hair of gold swims through  
caught in my mind  
painted picture prize  
jewels on a crown  
poisoned wine  
i fall to the floor  
caught a glimps of truth

swallow whole  
lose myself in you  
take a chance  
take a chance with me

hair of gold swims through  
caught in my mind  
painted picture prize  
jewels on a crown  
poisoned wine  
i fall to the floor  
caught a glimps of truth

hair of gold  
hair of gold
