Man: So I Say  
Still Away  
Sleep Close My Eyes  
An Image Of  
Your Face  
Traced In White Sand  
Underneath  
Undefined  
I Lay Down  
With Arms Outstretched  
I Embrace The Fall  
And All The Time  
I Tried  
To Let You Know  
Discomfort Comes Clearly  
Woh (5x)  
Sometimes You See Right Through Me  
Angel: Words, Words  
Your Married To That  
Your Married To That  
Your Married To Your Pain (2x)  
Man:Although You Hit Me Hard  
I Come Back  
The Earth Cries  
And I Call  
On The Inside  
Running Behind  
Which One Will I Face?  
Running Behind  
  
Which One Will I....  
Angel:Thin Comfort  
In What I Say  
My Back Is Turned  
I Halo My Soul  
For Awhile  
And All The Time  
I Tried  
To Let You Know  
Discomfort  
Comes Clearly  
When I Shout

Man:Woh (5x)  
Sometimes You See Right Through Me  
Angel:Words, Words  
Your Married To That  
Your Married To That  
Your Married To Your Pain (2x)  
Man:Although You Hit Me Hard  
I Come Back  
The Earth Cries  
And I Fall  
On The Inside  
Running Behind  
Which One Will I Face?  
Running Behind  
Which One Will I....
