Shapes of an army which brings with them  
While I close ? with them remain?  
One time i  
Broke my vow

Holding a sign with no meaning  
I read between the lines  
Once I got in your way  
What is even said?

Laid down a bed of sorrow  
In hope of ? ? ? ?  
Once I got in your way  
Broken promises

This rainfall  
[still lost inside of them]  
? run away?  
Wait with them, run to me  
[you know exactly who you are]  
Wait for me, ? don't go far?  
[still lost inside of them]  
Wait with them, run to me  
[you know exactly who you are]  
One time i  
Broke my vow

We laid out  
A circle of roses  
Symbolizing  
What was forever  
Once I got in your way  
Broken promises

This rainfall  
[still lost inside of them]  
? run away?  
Wait with them, run to me  
[you know exactly who you are]  
Wait for me, ? don't go far?  
[still lost inside of them]  
Wait with me, run ? away?

[you know exactly who you are]  
This rainfall  
[you know exactly who you are]
