DJ Pulse - Listen To Your Heart

#### Verse 1

I know there's something in the wake of your smile,  
I get a notion from the look in your eyes, yeah  
your built to love  
but our love falls apart  
A little piece of heaven  
Turns to dark

#### Chorus

Listen to your heart,  
When he's calling for you  
Listen to your heart,  
There's nothing else you can do,  
I don't know where you're going,  
And I don't know why,  
But listen to your heart  
Before, you tell him goodbye

#### 2nd Chorus

Think about the way,  
That we live today,  
Think about the way,  
How complete were we?  
Think about the way,  
That we live today,  
Think about the way,  
Think about the way,

#### Bridge

Music is the vibe,  
So open up your eyes,  
Time is running out,  
To find the feeling  
X2

#### Verse 2

Sometimes you wonder if this fight is worthwhile,  
The precious moments are all lost in the tide, yeah  
They're swept away,

And nothing is what it seems,  
The feeling of belonging,  
To your dreams,

Chorus

2nd Chorus
