I know you want me baby,
I think I want you, too,
I think I love you baby,
I think I love you, too.

I'm here to save you girl,
Come be in Shady's world,
I wanna grow together,
Lets let our love unfurl.

[Wherever you go]

You know you want me baby,
You know I want you, too,
They call me Superman,
I'm here to rescue you.

I wanna save you girl,
Come be in Shady's world,
Oh boy you drive me crazy,
Bitch you make me hurl.

They call me Superman,
Leap tall hoes in a single bound,
I'm single now,
Got no ring on this finger now,
I'll never let another chick bring me down,
In a relationship, save it bitch, babysit? you make me
sick,

Superman aint savin' shit, girl you can jump on Shady's
dick,
Straight from the hip, cut to the chase,
I'll tell a mo'fuckin slut to her face,
Play no games, say no names, ever since I broke up
with what's her face,
I'm a different man, kiss my ass, kiss my lips, bitch why
ask?
Kiss my dick, hit my cash, I'd rather have you whip my
ass,
Don't put out? I'll put you out,
Won't get out? I'll push you out,
Puss blew out, coppin' shit,
Wouldn't piss on fire to put you out,
Am I too nice? buy you ice,
Bitch if you died, wouldn't buy you life,
What you tryin' to be, my new wife?
What you Mariah? fly through twice.

You don't believe,
It won't be long,
You believe it's all gone wrong.

You don't believe,
It won't be long,
You believe it's all gone wrong.

But I, believe you,
I need you,
I love you,
I won't leave you.

I feel you,
I breathe you,
I won't leave and I don't decieve you.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go...

I do know one thing though,
Bitches they come, they go,
Saturday through Sunday Monday,
Monday through Sunday yo,
Maybe I'll love you one day,

Maybe we'll someday grow,
'Till then just sit your drunk ass on that fuckin' runway
hoe.

'Cause I can't be your Superman,
Can't be your Superman,
Can't be your Superman,
Can't be your Superman,
I can't be your Superman,
Can't be your Superman,
Can't be your Superman,
Your Superman, your Superman.

Don't get me wrong,
It's no secret,
Everybody knows,
Yeah we fuck?
Bitch so what?
That's about as far as your body goes,
We'll be friends,
I'll call you again,
I'll chase you around every bar you attend,
Never know what kind of car I'll be in,
We'll see how much you'll be partying then,
You don't want that,
Neither do I,
I don't wanna flip when I see you with guys,
Too much pride,
Between you and I,
Not a jealous man, but females lie,
But I guess that's just what sluts do,
How could it ever be just us two?
I never loved you enough to trust you,
We just met and I just fucked you,
But I do know one thing though,
Bitches they come they go,
Saturday through Sunday Monday,
Monday through Sunday yo,
Maybe I'll love you one day,
Maybe we'll someday grow,
'Till then just sit your drunk ass on that fuckin' runway
hoe.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go...

You know you want me baby,
You know I want you, too,
They call me Superman,
I'm here to rescue you.

I wanna save you girl,
Come be in Shady's world,
Oh boy you drive me crazy,
Bitch you make me hurl.

First thing you say,
I'm not phased,
I hang around big stars all day,
I don't see what the big deal is anyway,
You're just plain ol' Marshall to me.

Oo yeah girl run that game,
Haily Jade... I love that name,
Love that tattoo... what's that say?
'Rot in pieces' uuh that's great.

First off you don't know Marshall,
Add also, don't grow partial,
That's ammo for my arsenal,
I'll snap you off that bar stool,
There goes another lawsuit,
Leave handprints all accross you,
Good lordy-wody you must be blown off that water
bottle.

I just don't know what to do,
If it's all over with you,
I would not be able to live,
I'd have nothing left to give.

So please don't leave me alone,
Time would cease to exist,
My heart would turn to stone,
Remembering your kiss.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go...

I know you want me baby,
I think I want you, too,
I think I love you baby,
I think I love you, too.

I'm here to save you girl,
Come be in Shady's world,
I wanna grow together,
Lets let our love unfurl.

You know you want me baby,
You know I want you, too,
They call me Superman,
I'm here to rescue you.

I wanna save you girl,
Come be in Shady's world,
Oh boy you drive me crazy,
Bitch you make me hurl.

'Cause I can't be your Superman,
Can't be your Superman,
Can't be your Superman,
Can't be your Superman,
I can't be your Superman,
Can't be your Superman,
Can't be your Superman,
Your Superman, your Superman.

Wherever you go,
Whatever you do,
My heart belongs to you.

Wherever you go,
Whatever you do,
My heart belongs to you.
