What temptation, how you haunt me...
Why tonight, why are you so stunning, so right...
He sits across and sips so simply.
Yet he seduces me completely

Tell me you wouldn't just regret it
Everything is sick, let's just forget it
Give me a pulse, my body is shaking
Ten thousand screams my head is breaking

Are you another one that's going to be faithless?
I'm sick and tired of being lonely ages, so
Lean and let me whisper to you something...
Tonight I want you to live all your dreams through me
Tell me you wouldn't just regret it
Everything is sick, let's just forget it
Give me a pulse, my body is shaking
Ten thousand screams my head is breaking

Fire, junk, my bed stinks of dead dreams,
Afraid to care for anything said
Live, shake, live, shake. Rise, let hell break.
Make way, come on, hey. Give, give, shake, LIVE
