(Spoken)

Verse 1:

Another day, without your smile
Another day, just passes by
And now I know, how much it means for you to stay
right here with me
The time we spend apart will make our love grow
stronger
But it hurts so bad, I can't take it any longer

Chorus:

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in anything you do
I wanna grow old with you

Verse 2:

A thousand miles, between us now
Because it's mean, to underhide
I love to ..., will make so strong
It makes a race, but all alone
The time we spend apart will make our love grow
stronger
But it hurts so bad I can't take it any longer

Chorus:

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in anything you do
I wanna grow old with you

Stick:

Makes me come and go, I know that beating of the lead
Song can spread its all between us

Makes it real to me

Chorus x2

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in anything you do

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in anything you do I wanna grow old with you
