I can hear your heart" "crying out for me" lyrics.

Yeah (uh huh)
Polo the Don
Listen girl Mario Let's go
Ladies

It's like you caught up in a maze
You keep on going in circles girl you're trying to find
your way out
But its time I put on my cape and
Put that s on my chest
Girl I wanna come and save you
But I'm stick in the middle of seeing you hurt
I know when you love him
And you wanna make it up
And I can't help but think that I known you first
It's getting louder
Can't ignore any longer

I can hear your heart crying out for me (crying out for
me)
I can hear your heart crying out for me
(And it keeps on saying) Come on in, come on in come
on in and save
(And it keeps on saying) Come on in, come on in come
on in and save
(I can baby) I can hear your heart crying out for me

Baby, I should've never caught feeling
But baby having late night conversation on your sofa
You telling me how he played you out over and over,
over and over
But I'm stuck in the middle of seeing you hurt
I know when you love him
And you wanna make it work
And I can't help but think that I knew you first
It's getting louder
Girl I can't ignore it no more baby

I can hear your heart crying out for me (crying out for

me)
I can hear your heart (oh yeah) crying out for me
(And girl it's saying)
Come on in, come on in, come on in and save (Save
me)
Come on in, come on in, come on in and save (oh oh
oh)
I can hear your heart (I can hear it yeah) crying out for
me
Girl it's crying it's crying

I don't wanna confuse things (no)
But I just can't keep lying to myself
When you're holding me (when you're holding me)
I can feel your pain oh baby let me be your dream
I'm the answer come see me (see me)
And u don't have to cry no more (u don't have to cry)

Girl I can hear your heart baby
I can hear your heart
Girl it's crying
Won't you listen to your heart, baby

I can hear your heart crying out for me (girl it's crying
out for me)
I can hear your heart crying out for me
(And it's saying)
Come on in, come on in, come on in and save (Save
me)
Come on in, come on in, come on in and save
I can hear your heart crying out for me

Girl I can hear, hear it cry for me, for me, for me, for
me

Ladies wave your hands in the air
Ladies wave your hands in the air

Oh baby
It's crying for me
It's crying for me for me
