Children, are you ready?

There's gonna be a meeting over yonder

Children, are you ready?

There's gonna be a meeting over yonder

All the boys and the girls' gonna be there

Young and old, weak and strong's gonna be there

So children, are you ready?

For the meeting over yonder

Get my coat, got to go

To the meeting over yonder

I've got to learn what I don't know

At the meeting over yonder

At the talkin', I'm sure all will agree

The best thing for you, you and me

Is go to the meeting over yonder

Go to the meeting over yonder

Keep on pushin' now

Children, are you ready?

There's gonna be a meeting over yonder

Children, are you ready?

For the meeting over yonder

All the boys and the girls' gonna be there

Young and old, weak and strong's gonna be there

So children, are you ready?

For the meeting over yonder

There's gonna be a meeting over yonder

For the meeting over yonder

For the meeting over yonder

For the meeting over yonder

For the meeting over yonder
