Oh, come on try to catch me  
Oh, catch me if you can  
Oh, come on try to catch me  
Oh, catch me if you can

Look out  
It's time the world was ready  
For a new thing  
It's time i got ahead  
Get fit  
Nothin's gonna stop me  
And i won't quit til  
I'm sittin' on the top

I'll never give when the going gets rough  
I know i'm gonna make it through  
So just trying will never be enough  
I'll show you there's nothing that  
I can't do

Oh, come on try to catch me  
Oh, catch me if you can  
Oh, come on try to catch me  
Oh, catch me if you can

Come on, come on catch me now  
Catch me pokemon  
Can you come on catch me, can you now  
You can't catch me anyhow

Get up  
Let's see what you're made of  
Bring it on, you know i'm not afraid  
There's no way you can slow me down now  
It's time to show you what i'm all about

I'll never give when the going gets rough  
I know i'm gonna make it through  
So just trying will never be enough  
I'll show you there's nothing that  
I can't do

Oh, come on try to catch me  
Oh, catch me if you can  
Oh, come on try to catch me  
Oh, catch me if you can

Oh, come on try to catch me  
(catch me now)  
Oh, catch me if you can  
(come on come on catch me now)  
Oh, come on try to catch me  
(come catch me now)  
Oh, catch me if you can  
(you can't catch me anyhow)

It's so close  
I can almost taste it (taste it)  
There's no way i'll ever look back  
It's so hard  
But stoppin's not an option  
I'm gonna keep on, keep on  
Cuz i believe in me

Come on, come on catch me now  
(meeeeeeee)  
Catch me pokemon  
Can you come and catch me can you now  
You can't catch me anyhow

Come on, come on catch me now  
(ohh)  
Catch me pokemon  
Can you come and catch me can you now  
(catch me)  
You can't catch me anyhow  
(oh)

Come on, come on catch me now  
(oh, catch me if you)  
Catch me pokemon  
Can you come and catch me can you now  
(catch me)  
You can't catch me anyhow  
(oh, catch me if you can)
