Here am I on trains of solace
The moment I could win
Oh it's so dumb that I'm intrigued by the thunder
And the lightning comes streaming into our home

But oh, a summer of our own
And it's been done, it's been done
And oh I'm so proud of loving, again

It's been done

Wishing I was yours forever
Can we rely on love?
I was lost, cut underneath by another
And the feelings that crept into our home

But oh, a winter of our own
It's been done, it's been done
And oh, I'm so proud of living, again

Crossing your heart and hope to die
The skin I'm touching will never lie
Crossing your heart and hope to die
The skin I'm touching will never lie

And oh a winter of our own
It's been done, it's been done
And oh, I'm so proud of loving again

Crossing your heart and hope to die
The skin I'm touching will never lie
Crossing your heart and hope to die
The skin I'm touching will never lie

Crossing your heart and hope to die
The skin I'm touching will never lie
Crossing your heart and hope to die
The skin I'm touching will never lie

Crossing your heart and hope to die
The skin I'm touching will never lie
Crossing your heart and hope to die

The skin I'm touching will never lie
