PAPI CHULO (by Angela Via,)

I know exactly what I wanna do tonight
Find me a daddy who knows how to move it right
Get all my chicas and then head on out the door
Find a spot where we can shake it on the dancefloor
Feeling sexy, I'm gonna let it show tonight
I'm single, thought you'd like to know

Don't wait a minute, baby,
if you wanna dance, come on over,
'cause you're looking like you wish you had a chance,
c'mon

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! Come on and tell me that you want me mucho

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! I know you wanna be my papi chulo!

I see you frontin' when you're hangin with your boys
But my baby's not afraid to make some noise
I understand ya and you came to play it shy
I'm not gon' sit and let this whole life pass me by
Second guess me when I socre you down
I'm looking straight at you, I'm just turned around

Don't wait a minute, sugar
If you wanna groove
Gotta see ya do your thing, boy
Come on baby, let it loose

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! Come on and tell me that you want me mucho

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! I know you wanna be my papi chulo

Swing it to the left
Now swing it to the right
Move it to the front, now back
Then front, are ya feeling alright?
Swing it to the left
Now swing it to the right
Move it to the front, now, back, then front, now
Papi chulo, I just wanna hit with ya all night

Don't wait a minute, baby,
if you wanna dance, come on over,
'cause you're looking like you wish you had a chance
Come over here
Don't wait a minute, sugar
If you wanna groove
Gotta see ya do your thing, boy
Come on baby, let it loose

Don't wait a minute, baby,
if you wanna dance, come on over,
'cause you're looking like you wish you had a chance
Come over here
Don't wait a minute, sugar
If you wanna groove
Gotta see ya do your thing, boy
Come on baby, let it loose

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! Come on and tell me that you want me mucho

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! I know you wanna be my papi chulo

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! Come on and tell me that you want me mucho

Baila! Wanna see ya shake my body
Mueve! Honey, move a little my way
Guapo! Pretty boy, I know you feel me
Pronto! I know you wanna be my papi chulo
