Don't worry baby  
Just cause i'm goin' away  
It's only for a little while  
Soon i'll be back to stay.

See, no one in this whole wide world  
Could make me feel the way you do  
So baby you should know that i  
I only wanna be with you...

Goina stay together, whatever it takes  
If it takes all the time that we've got  
I'll find you and you'll find me  
No matter where, no matter what  
Goina stay together, whatever it takes  
And we know that it will take a lot  
Whatever it takes, we're goina stay together

Don't tell me, baby  
That you'll move on when i'm gone  
Cause you know that all the while  
I'll be missing you so.

Every night as i'm sleeping  
I'll be dreaming of your sweet touch  
Ours is a love worth keeping  
And baby, i love you  
I love you so much

Goina stay together, whatever it takes  
If it takes all the time that we've got  
I'll find you and you'll find me  
No matter where, no matter what  
Goina stay together, whatever it takes  
And we know that it will take a lot  
Whatever it takes, we're goina stay together

If you need me by your side  
Though i'm half way around the world  
Just reach out to me  
And soon you will see

I won't be that far away

Goina stay together, whatever it takes  
If it takes all the time that we've got  
I'll find you and you'll find me  
No matter where, no matter what  
Goina stay together, whatever it takes  
And we know that it will take a lot  
Whatever it takes, we're goina stay together

Whatever it takes, we're gunna stay together...  
Oooohh, yeah, baby...  
Whatever it takes, we're gunna stay together...
