Distant clouds above the ocean
slowly driftin' to the shore
there's no cure, no magic potion
they'll soon be knocking on your door
there is no escape, in the land of fate,
we're all strugglin' through the day
Here comes the rain again,
here comes the rain again,
but we'll cry all those rainy tears goodbye
Mother's starin' through the window
wisdom's written on her face
she's gently wisperin' to her children
she leaves a mark without a trace
there will come a time when you'll see the sign
and remember all the pain
Here comes the rain again,
