"I Will Be There"

There's been a couple of changes
but I refuse to let you go
there's a fatal attraction that haunts me so
we're going through the motions
in a way we can't foresee
you burn a hole in my rationality
there is something I must admit
I'm not the type of person who likes to quit
all I want is for us to fit 'cos baby
I will be there for you, I will be there for you
no one else in this world can do, take it from me
I tried to keep my distance
on this road that leads to nowhere
but I'll never lose your track I swear
I don't want you to get me wrong
the feeling I've got will remain this strong
why don't you drop in and sing along 'cos baby
I will be there for you, I will be there for you
