Two type is over ..glasses  
one ain't the grass I break the chasse  
African metaphysics not paramedics  
The flow over right through the corner ..  
And I ain't do a lot of dances...  
They know the spits .. the answer ..  
They wonder when the album drop  
Well let it be here by 2012 ...the destroyer  
Some .. yeah these are difficult times that we're living  
through  
I'ma give it to you .. after this ..after this  
You'll see what will gain from change  
Probably ..the strangest things,  
the challenges not my ..Hollywood ...  
And I .. the info I provide .. to the age..you going out  
... Jesus talking about  
Yeah and the prayer if it's coming in  
I know my life ...come again .. 2010  
Tryin to stay out again  
These only problems go back again  
The spirit and lightening ..listen to your man ..

Thanks to garbo
