## Verse 1

Waking up to a brand new sunny day  
felling happy in every way  
You feel loved what's better than that  
Keep it in your heart and it will last forever

## Pre-Chorus 1

We need to spread the love around  
Stop tearing other people down

## Chorus

It's all about love  
Nothing can compare to love  
It's all about love  
Love makes the world so beautiful  
It's all we need today  
Spread it on your way  
And the love I've found  
Is what makes the world go round

## Verse 2

It's not easy, it might be tough  
Feeling you're not good enough  
But you are - Stop trying so hard  
You are loved no matter who you are

## Pre-Chorus 2

Break off your limit; you are free  
Open up your eyes and you will see

## Chorus

## Chorus

## Bridge

Slow down  
look around  
And this love will soon be found  
Try to start  
With your heart  
I'm sure you will be amazed

Chorus x2
