I've never been the kind to testify
I don't have the words His truth deserves
It's a simple thing He asks
A worthy heart and willing hands
He says if I'll make the choice
He'll help me find my voice

He calls me to serve and I cannot fail Him
The one who has given me all that I have
I place my trust in Him alone
He knows the yearnings of my soul
Because He believes in me
I will go willingly

How can I keep this gift to myself?
When I can lift somebody else?
I am a witness of His miracles and His mercy
I put my future in His hands
Knowing He's made me all I am
When I put my faith in Him
The truth begins to speak

His power is real
It moves me until
I will not be still

Lifting the hands that hang down in sorrow
Strengthening knees that bend in despair
Reaching the hopeless hearts
Who do not know His love
Seeing their lives begin to change
I know I'll never be the same

How can I keep this gift to myself?
When I can lift somebody else?
I'll be a witness of His miracles and His mercy
I put my future in His hands
Knowing He's made me all I am
When I put my faith in Him
The truth begins to speak

His power is real
It moves me until
I will not be still

His power is real
I trust in His will
I will not be still
