I don't wanna look at the way,
There's a feeling that I've got to stay,
There's a will, could I be wrong,
Did I really make it hurt so long?
There's a tune I love to sing,
La la aah aah aah aah aah aah aah!

Is it really come on to be straight home?
Hanging with the back down walls,
Now I'm driving through Jamaica,
Feels like a wish, head home sinners,
'Cause you're pushing a bit too hard!

I hiding now, make a wish don't wake me up,
Be shaking now,
Don't push 'cause I'll fall down,
Stay a while, make the trip, don't let me fall,
Be swung around, uh,
And shoot for the stars now,
Hang up now, hang up now!

I wanna be in every case,
This is something that the man won't face,
But I feel, could I be wrong,
Did I really make it hurt so long?
There's a tune I love to sing,
La la aah aah aah aah aah aah aah!

Is it really come on to be straight home?
Hanging with the back down walls,
Now I'm driving through Jamaica,
Feels like a wish, head home sinners,
'Cause you're pushing a bit too hard!

I hiding now, make a wish don't wake me up,
Be shaking now,
Don't push 'cause I'll fall down,
Stay a while, make the trip, don't let me fall,
Be swung around, what,
And shoot for the stars now,
Hang up now, hang up now hang up now!

Don't look 'cause it's harder to know,
Don't look 'cause it's harder to know, harder to grow!

Ha aah aah aah aah, ha aah aah aah aah aah aah
yeah,
See now I'm hiding now, make a wish don't wake me
up,
Be shaking now,
But don't push 'cause I'll fall down,
But stay a while, make the trip, don't let me fall,
Be swung around,
And shoot for the stars now!
Ha aaah aaah aaah aaah!

Hang up now!
