Hello baby, it is me
I am aruldite
So whaddya know I come back in flames
I come back in BIG flames
Compose me a wing
I will sing
I will aerobicise
Complete me aglow and don't be ashamed
Don't be ashamed yeah yeah yeah yeah yeah

Hogmannay
Never had it done
I should be eloping
And faking everyone
But I am not afraid
Of telling you that mama is

Griever stone
Did you ever believe us? No??
Did you ever believe alone?
Did you heal us?
Oh no!!!!

Peela-bee don't let this be
Don't make it slow
Peela-bee don't let this be
Don't make it slow

And obsolete
Constrict me everyone
I should be converted
It's only just begun
Cuz I'm a cavalcade
So preach to the perverted!

And griever stone!
Did you ever believe us? No??
Did you ever believe alone?
Did you heal us?
Oh no!!!

Maybe I've come of age here
Rolls of obscene palms
Maybe I've come of age

Hogmannay
Never had it done
I should be eloping
And faking everyone
And I am not afraid
To kiss you on the face!!

And it's griever stone etc;
