Stop kissing me, I told you alright  
It doesn't have to be this way  
Stop kissing me, turn on the light  
I know I'm gonna have to pay

Cos some maybe missed her (yeah yeah yeah yeah)  
And you say I'll be a headlong man, and that's hideous  
And something got me stumbling like I'd poke under  
one  
But you just keep on kissing like their ain't nothing  
wrong  
So hey, stop kissing me, cos I know I couldn't treat you  
right

Stop kissing me I told you alright  
It never had to be so bad  
From your head to your backbone  
Im gonna make you kiss me, well...

I made a mixture (yeah yeah yeah yeah)  
And I know I've done something bad (oh yeah yeah  
yeah)  
And quaking in your boots, and you're carrying on  
Cos you don't know whats happening when the kissings  
begun  
So hey, stop kissing me, cos you know I couldn't treat  
you right  
Cos you know I couldn't treat you right

Well you made a mixture (yeah yeah yeah yeah)  
And I know I've done something bad, oh oh oh  
And quaking in your boots, with your carrying on  
Why such a big mistake, I felt the kissing is gone

So hey, stop kissing me cos you know I couldn't treat  
you right  
So hey, stop kissing me cos you know I couldn't treat  
you  
So hey, stop kissing me cos you know I couldn't
