Now this is not the time or the place
for a broken-hearted,
'cause this is the end of the rainbow
where no one can be too sad

No, I don't wanna leave
but I must keep moving ahead
'cause my life belongs to the other side
behind the great ocean's waves

Bye bye, Hollywood Hills
I'm gonna miss you, wherever I go
I'm gonna come back to walk these streets again
Bye bye, Hollywood Hills forever

Thank you for the morning walks on the sweet sunset
And for the hot night moments
For the fantasy in my bed

I take a part of you with me now
and you won't get it back
and a part of me will stay here,
you can keep it forever, dear

Ooh-ooohoo...

Bye bye, Hollywood Hills
I'm gonna miss you, wherever I go
I'm gonna come back to walk these streets again
Remember that we had fun together

Bye bye, Rodeo Girls
I'm gonna love you wherever I go
I'm gonna come back so we can play together
Bye bye, Hollywood Hills forever

Long distance love doesn't work

All the miles inbetween getting naughty***

No I don't wanna go

I don't wanna go

Bye bye, Hollywood Hills

I'm gonna miss you, wherever I go

I'm gonna come back to walk these streets again

Bye bye...

Bye bye, Hollywood Hills

I'm gonna miss you, wherever I go

I'm gonna come back to walk these streets again

Remember that we had fun together

Bye bye, Rodeo Girls

I'm gonna love you, wherever I go

I'm gonna come back so we can play together

Bye bye, Hollywood Hills forever

Hollywood Hills forever, yeah

Hollywood Hills forever

The actual song starts at 1:55 in the video...

***I don't quite understand the following two lines:

"Long distance love doesn't work

All the miles inbetween getting naughty"

It's like:

"Long distance love - does it work?

All the miles inbetween get in your head..."

Who can understand it better?
