### "I Gotta Go"

I gotta run  
I gotta hide  
I can feel them close behind  
I'm not gonna be feeding them no more

I gotta move  
Stay in the dark  
I gotta lead astray those sharks  
Grass is green where I'm taking this ship right now

I've been dreaming  
Yeah dreaming

All my life I've been dreaming  
I could leave this mess behind  
This time I've been waiting for  
a chance to say goodbye

I gotta go - out of my way  
I gotta go - out of this place  
No chains I'm breaking free for good

I gotta run  
I gotta fight  
I'm the captian of my life  
Sailing seas like a dolphin with no home

Purple sunsets  
And air that I can breathe  
I'm not gonna be turning back mo more

I've been dreaming  
Yeah dreaming

All my life I've been dreaming  
I could leave this mess behind  
This time I've been waiting for  
a chance to say goodbye  
My life I've been hoping  
I could leave this mess behind  
This time I am playing for

a chance to say goodbye

I gotta go - out of my way  
I gotta go - out of this place  
No chains I'm breaking free for good

Bright light in the sky  
Blue flowers and rainbows  
Bright light in the sky  
Looking like diamonds
