Put your hands on me  
I wanna feel the hungry fingers on my skin  
Let me see how you love me  
I wanna make you a mess inside

Put your hands on me  
I wanna feel the fever and the beat inside you  
When you look me with those eyes  
You say you wanna be all mine

Get Nasty  
And blow me and my mind  
Let's get nasty  
When the morning comes you'll feel so fine

Put your lips against my ear  
I wanna hear each and every sound you make  
I wanna taste the sweat on your skin  
I wanna eat all, it is all mine

Let your fantasies come out  
Cause nothing is too wicked for us tonight  
We're all joy and lust  
We wanna feel each other all inside  
Get Nasty  
And blow me and my mind  
Let's get nasty  
When the morning comes you'll feel so  
Nasty  
And blow me and my mind  
Let's get nasty  
When the morning comes you'll feel so fine

Put your hands on me (x5)

Get Nasty  
And blow me and my mind  
Let's get nasty  
When the morning comes you'll feel so  
Nasty  
Nasty, nasty  
When the morning comes you'll feel so...

When the morning comes you'll feel so...  
When the mornĀfĀng comes you'll feel so...
