Uncover the empty room
You lay beside me
I'm selfish in your eyes
Uncovered mistakes
Well I've waited for this chance to arrive in here

But I called you out
And you answered
I saw your side
And you answered
I called you out
And you answered
You answered sometimes

There's likely more reason
Reason in finding
That your line is L shaped
Uncovered mistakes
Well I've waited for this chance to arrive in here

But I called you out
And you answered
I saw your side
And you answered
I called you out
And you answered
You answered sometimes

Right
This is why
This all we were
This is what it came to
But you never did
You never did
This is why
This is what I am

Listen now, silent here

Cover your ears when I speak to you softly

Silent now

Cover your ears when I speak to you softly

This
Is
The
Wait
