The buffalo have given up on the world  
And Apollo? Apollo is kissing all the valley girls  
We climbed up the cross on the mountain on New  
Year's Eve  
It was just God, the blizzard, the dream-weaver and me

My god I miss the way we used to be  
So here's a photograph for you to hold  
It's my picture right before I got old  
It's a picture of a buffalo that we rode into extinction  
That was the crime we committed in the night  
That was the crime we committed in the night

Apollo, I heard your sister is equated with the moon,  
But I think your sister is just another run-around Sue  
And where have you been, where have you been,  
Erato?  
Where have you been, where have you been, Erato?  
Because it's been a long time since we sat around the  
willow tree fire,  
Where Anna played guitar and the rest of us fell in love  
That was back before she changed her name  
Will we ever find our way into Cassandra's gaze again?

Like the days before Anna changed her name?  
Here's a photograph for you to hold  
It's a picture of the prize, you hunter

Anna, Anna, Anna, Anna, oh, why'd you change your  
name?
