love isn't funny when love is burning inside when all
you can think of is how to get through the night.
and when you want it's just a game that you play and
when you get it you're gonna take it away maybe it's
nothing
maybe it's all just in my mind maybe I'm foolish maybe
it's just a waste of time
But I don't think so maybe I definitely know
that maybe maybe I'm in love

so if you want it you want to come on to play but you
can't have it cause there's an ass in my way and when I
want it there's no one out there for me
and when I need it there's many fish in the sea..

maybe it's nothing
maybe it's all just in my mind maybe I'm foolish maybe
it's just a waste of time
But I don't think so maybe I definitely know why do I keep
fooling myself why don't I just let go
this I don't like me

but now I definitely see that maybe ohhh maybe maybe
I'm in love
but I don't think so maybe I definitely know why do I
keep fooling myself why can't I let go this is not like me
but now I definitely see that maybe ohhh maybe I'm in
love

love isn't funny when it is burning inside and all I can
think of is how to get through the night and when you
want it it's just a game that you play and when you need
it there's gonna take it away

maybe it's nothing maybe it's all just in my mind maybe
I'm foolish maybe it's just a waste of time but I don't

this is not like me but now I definitely see that maybe
ohhh maybe maybe I'm in love
