YOU

Just let me know,
If you're gonna go,
We'll take it slow,
(we'll take it slow),
Just let it be,
If you're gonna leave,
Just wait and see,
Tonight is gonna last forever,

(AAAH, AAAH, AAAH, AAAH,)

You have burned a hole in me,
You have filled it up with me,(meat)-official
It's Burning my heart,
To watch you breathe,
I have bled all of my blood,
Something whispered, something said,
It burns my heart,
To watch you breathe,
To watch you breathe,

Caught in the sights of an angel,
Caught in a landslide victory,

(AAAH, AAAH, AAAH, AAAH)

I have buried all my dead,
I have filled my shoes with lead,
It's burning my heart,
To watch you breathe,
You have poured into my head,
This blackened heart is turning red,
It burns my heart,
To watch you breathe,
To watch you breathe,
To watch you breathe,

Caught in the sights of an angel,
Caught in a landslide victory,

Caught in the light of an angel,
Caught in a landslide victory,

It's only hurt,
It's only hurt,
It's only hurt,
It's only hurt,
