She's making me feel faint
She is so sincere
Sipping wine, losing time, ever real, so divine,
I've reached the a-pex,
Her shadow merges into mine,
Imperic light,
Green glaze wont fade, pull me into your accolade.

I'll let ya go when you hurt me,
I brought ya back
How could I be so cold,
I'll let ya go when you hurt me,
I brought ya back
How could I be so cold.

Flow into my stream,
Fulfil my dream,
You can take my mistakes,
We can fake a reality.

I'll let ya go when you hurt me,
I brought ya back
How could i be so cold,
I'll let ya go when you hurt me,
I brought ya back
How could i be so cold.

(SO COLD) You mean everything to me
And i can't seem to reach that far
(SO COLD) You mean everything to me
And i can't seem to reach that far
(SO COLD) You mean everything to me
And i can't seem to reach that far
(SO COLD) You mean everything to me
And i can't seem to reach that far

Stay in place, remember her face,
When tomorrow comes you'll be somewhere else
Stay in place, remember her face,
When tomorrow comes you'll be somewhere else.

(SO COLD) You mean everything to me
And i can't seem to reach that far
(SO COLD) You mean everything to me
And i can't seem to reach that far
(SO COLD) You mean everything to me
And i can't seem to reach that far
(SO COLD) You mean everything to me
And i can't seem to reach that far
