Come to me in my dreams and hold me,
Kiss me, Burn me away,

You are composes of kindness and colour,
You sing sweet notes of comfort to me,
Don't walk away, I nedd to be there for you,

Come to me in my dreams and hold me,
Kiss me burn me away,
Shivering in a hot bath, steam rises slovly,
As love evaporates,

The shoal of the gilled clutter around the ocean carpet
I swim alone, the outcast ocean fish,
Take all my sins and beat them into me for the wreck i
am,

Come to me in my dreams and hold me,
Kiss me burn me away,
Shivering in a hot bath, steam rises slovly,
As love evaporates,

My skin is raw and my, My eyes they sting,
And my, My heart shivers and my stomach hurts,
But you take away my pain and make my life content
You are my meaning, my eyes open
My library of gold , i could read you forever

Come to me in my dreams and hold me,
Kiss me burn me away,
Shivering in a hot bath, steam rises slovly,
As love evaporates,
