think again

sometimes reputations outlive their applications

sometimes fires don't go out

when you're done playing with them

I feel so funny deep inside

I wanna kiss myself goodbye

sugarhigh..

gotta have it really need it to get by

sugarhigh..

wanna feel it can't conceal it

sugarhigh

I could go out and not even leave the house

a TV set and a bottle of wine, just fine

crashing out on that old pull out couch

watching saturday night live

I guess that's why

I feel so funny deep inside

I wanna kiss myself goodbye

sugarhigh

when I think about my life

I wanna kiss myself goodbye

sugarhigh..

sugarhigh

alright, [guitar solo]

I... far and wide

I've explored the deepest caverns of my mind

to try and find an explanation why

I get this funny feeling deep inside

when I think about my life

I wanna kiss myself goodbye

sugarhigh..

gotta have it really need it to get by

sugarhigh..

I wanna feel it can't conceal it makes me high

sugarhigh..

need it now I've got to live until I die

sugarhigh..

can you feel it, can you feel it

sugarhigh
