You were watching the whites of your eyes

Turn red

The calendar, on your wall, is ticking the days off

The calendar on your wall is ticking

the days off

You've been reading some old letters

You smile and think how much you've changed

All the money in the world

Couldn't bring back those days.

You pull back the curtains, and the sun burns into your eyes,

You watch a plane flying across a clear blue sky.

THIS IS THE DAY -- Your life will surely change.

THIS IS THE DAY -- Your life will surely change.

You could've done anything -- if you'd wanted

And all your friends and family think that you're lucky.

But the side of you they'll never see

Is when you're left alone with the memories

That hold your life together like

Glue
