The mistakes that I made in my life me strong  
Made me right never wrong keeps me writing my songs  
Cause I know you my girl cause of you here comes me  
Out your wound duplicate just like you makes me sick  
Just in time you my girl you my angel my world  
Shining down at my life got my back don't think twice  
When in need of your help if i'm wrong got your belt  
But only you Uesirah had respect for your job  
And your heart and your soul and your house and your  
goal  
To your friends and your kins even sick didn't quit  
What's the thanks that you get for the time that you  
spent  
Raising kids paying bills talking shit paying rent  
But i'm gon shine for you girl make you smile at me girl  
Smile so bright like the sun for your girls and your son  
You my moms I love you I thank you for having me  
Even gone you live on live through me make em see

[Chorus Vanc]

You're my girl  
When no one was there for me  
You're my girl  
When nobody cared for me  
You're my girl  
And no one can take that away from me  
You're my girl  
And even though you're gone  
You're my girl  
Through me you still live on  
You're my girl  
You taught me how to be strong  
You're my girl

Calling up on the phone just to talk hear my voice  
Talk so much just like me I talk you all night have no  
choice  
Telling jokes bout the kids how they bad things we did  
When I was young having fun me and yall pulling stun  
Nigawauna having fights cuss us out hit the lights  
Had it all thanks to you extra strong thanks to you

Take it all thanks to you standing tall thanks to you  
Glad I was picked for you you my girl and its true  
I was mad when you left didn't get a chance to see you  
go  
Now you back platinum strong live through me make  
em know  
I'm your girl baby girl and you did this for me  
You my girl favorite girl live through me make em see

(Chorus)

Oh don't you know I miss you  
I need you here with me  
To walk with me  
And to talk to me  
Oh yea  
All right

Now these words are for you let you know I love you  
With all my heart and my soul through these words  
Let you know lets them know you my girl  
No matter what I'm your child and through me they can  
see  
You live on through my smile through my kids your

Through my will and you hopes if I go out bless them
