I'm countin' down to the day deservin'

Fittin' for a king

I'm waitin' for the time when I can

Get to Arizona

'Cause my money's spent on

The goddamn rent

Neither party is mine not the

Jackass or the elephant

20.000 nig nigggy nigas in the corner

Of the cell block but they come

From California

Population none in the desert and sun

Wit' a gun cracker

Runnin' things under his thumb

Starin' hard at the postcards

Isn't it odd and unique?

Seein' people smile wild in the heat

120 degree

'Cause I wanna be free

What's a smilin' fact

When the whole state's racist

Why want a holiday F--k it 'cause I wanna

So what if I celebrate it standin' on a corner

I ain't drinkin' no 40

I B thinkin' time wit' a nine

Until we get some land

Call me the trigger man

Looki lookin' for the governor

Huh he ain't lovin' ya

But here to trouble ya

He's rubbin' ya wrong

Get the point come along

An he can get to the joint

I urinated on the state

While I was kickin' this song

Yeah, he appear to be fair

The cracker over there

He try to keep it yesteryear

The good ol' days

The same ol' ways

That kept us dyin'

Yes, you me myself and I'ndeed

What he need is a nosebleed

Read between the lines

Then you see the lie

Politically planned

But understand that's all she wrote
When we see the real side
That hide behind the vote
They can't understand why he the man
I'm singin' 'bout a king
They don't like it
When I decide to make it
Wait I'm waitin' for the date
For the man who demands respect
'Cause he was great c'mon
I'm on the one mission
To get a politician
To honor or he's a gonner
By the time I get to Arizona
I got 25 days to do it
If a wall in the sky
Just watch me go thru it
'Cause I gotta do what I gotta do
PE number one
Gets the job done
When it's done and over
Was because I drove'er
Thru all the static
Not stick but automatic
That's the way it is
He gotta get his

Talin' MLK

Gonna find a way

Make the state pay

Lookin' for the day

Hard as it seems

This ain't no damn dream

Gotta know what I mean

It's team against team

Catch the light beam

So I pray

I pray everyday

I do and praise jah the maker

Lookin' for culture

I got but not here

From jah maker

Pushin' and shakin' the structure

Bringin' down the babylon

Hearin' the sucker

That make it hard for the brown

The hard Boulova

I need now

More than ever now

Who's sittin' on my freedah'

Opressor people beater

Piece of the pick

We picked a piece
Of land that we deservin' now
Reparation a piece of the nation
And damn he got the nerve
Another niga they say and classify
We want too much
My peep plus the whole nine is mine
Don't think I even double dutch
Here's a brother my attitude hit 'em
Hang 'em high
Blowin' up the 90s started tickin' 86
When the blind get a mind
Better start and earn while we sing it
Now
There will be the day we know those down and who will
go
