First the sheep next the shepherd

Chuck's run amok multiplying like leopards

Spots em up the long bombs a record

A long shot / 3 minutes 15 seconds

If i was cloned never would i be alone

Just the two of us mutherfuck the lexus

Strange fruit be hangin in texas

Rope be holdin the necks

Poison politics affects us

Get my flow on a show of flexes

Got too much love above

For the battle of the sexes

Now i won't go as far as romancin myself

Or dancin with wolves or runnin wit the bulls

Shit i be in two places at one time

Split spaces wit one rhyme

Get 3 nickels outta one dime

First the sheep next the shepherd

Fill generation gaps wit mad raps

Get slapped

Give four smacks the hell on back

Be the father son and the holy ghost
As i represent both the east and the west coasts
Whatever that's worth 360
The planet earth that's the whole black man's turf
Now i be the rational national
Ever present international
Spy wit the third eye against the conquer and divide
Now wit three of me i can run a country
Make apocalypse quit do mad shit on the side
I go on wit my bad self if i had four of myself
I would sacrifice two to get that slave outta you
In my eyes be the anger of the furious five
Flashbacks cut across psycho tracks
Been there done that and i swung a big bat
Like that there it is i be the startin six pack
First the sheep next the shepherd
The east to the west south to the north
The music might switch the rhymes never fall off
Non alcoholic avoiding the bomb
In abortion clinics i be the hero up in it
Jack the cracker dat did it
Now the magnificent 7
Hip hop gangsta rappin
Holdin it down makin it happen
From oakland to manhattan

If i was eight / i be damn great

City to city / state to state

Won't never be too much on my plate

Flow like watergate

Wit nine of mine

I'd get piece of mine

Again and again

Wit that power of ten men

Duplicated by the split

Of one mean gene an shit

Back to the lab

Wit them scientific crabs, what next?

3 minutes and 15 seconds
