Reach uppity reach gotta reach
Power to the people & the beats
Some people accuse some people of crimes
Some people get away wit' losin' my rhyme
They don't like where I'm comin' from
So dey play dumb
Dumb diggetty dumbb diggetty dumb
But I'm tellin' you what they do
Play a fool
While the real thief cools in a pool
He who got the finger on the war button
Talkin' loud ain't sayin' nuttin
TV got 'em bigger than life
All he needs is a knife
Who's the criminal?
To the blind def & dumb
Hard to see 'em comin'
Don't be dumb diggety dumb
Politikin' writin' bad checks
Still dey gettin' wreck
Goin' fo' a nigga neck

Rollin' in a blue 'n' white gang
Ready to bang biggedy bang
Hangin' 'round da hangin' rope
Nope n-o-p-e
I ain't bendin' for the soap
Never understood why the 'hood
Half od who's in da joint
Now dey got me losin' my point
Gotta have it goin' on
Born criminal born
Take a piece of America back
But who had it first
Hear the indian curse
Robbed & stole so many so much
It ain't funny
Now who got 'em face on money
Politician passin' a bill paid in full
C-note rockin' in a pocket
How they livin' makin' sure they
Lockin' us up I got a feelin' I'm...
When it come to somethin' we say
What dey don't like is a brother like me
On da mike
In fact to the gritty ain't none of us wack
Noriega had back

Jeffrey Dahmer enter the room without cuffs

How the hell do we get stuffed

In da back of a cell

On an isle

Ain't it wild

What's a criminal?

Only if I had one more time to kick

The rhythm that keep rippin' down the door

So the real criminals get exposed behind the clothes

Doors 'n' the suits that make 'n' break da law

Lookin' for my own 'cause I had enuff bull

I can't understand it must be crooked

Way they planned it

Police supposed to keep the peace

But I can't truss 'em

So I keep my piece

Loaded & cocked

'Cause I don't miss the block

I'm talkin' about the ones who don't get chained to the
rock

While we go away for the neighborhood crime

Never liked what I saw in the law

Indiana trees hangin' us instead of leaves

We hangin' the rope

Real criminals
