If man is the father of the son
Is the center of the earth
In the middle of the universe
Then why is this verse coming
Six times rehearsed
Don't freestyle much so
I write em like such
Amongst the fiends
Controlled by the screens
What does it all mean
All this shit i'm seein
Human beings scream vocal javelins
Signs of a local nigga unravelin
My wandering
Got my ass wondering
Where Christ is
In all this crisis
Hatin Satan
Never knew what nice is
Check the papers
While I bet on Isis

More than your eyes can see

And ears can here

Year by year

All the sense disappears

Nonsense perseveres

Prayers laced wit fear

Beware

2 triple 0 is near

It might feel good

It might sound a lil somethin

but damn the game

If it don't mean nuttin

What is game who got game

Where's the game

In life

Behind the game

Behind the game

I got game

She got game

We got game

They got game

He got game

It might feel good

It might sound a lil somethin

But the fuck the game if it ain't saying nothin

Damn was it somethin I said
Pretend you don't see
So you turn your head
Race scared of it's shadow
Does it matter?
Thought areparations
Got em playin wit the population
Nothing to lose
Everythings approved
People used
Even murders excused
White men in suits
Don't have to jump
Still theres 1001 ways
To lose wit the shoes
God takes care of ol folks and fools
While the devil takes care
Of makin the rules
Folks don't even own themselves
Payin mental rent
To corporate president
1 outta 1 million residents
Be a dissident
Who ain't kissin it
The politics of chains and whips
Got the sick

Missin chips and championships

What's love got to do

Wit what you got

Don't let a win get to your head

Or a loss to your heart

Nonsense perseveres

Prayers heed wit fear

Beware

2 triple O is near

It might feel good

It might sound a lil somethin

but damn the game

If it don't mean nuttin

What is game who got game

Where's the game

In life

Behind the game

Behind the game

I got game

She got game

We got game

They got game

He got game

It might feel good

It might sound a lil somethin

But the fuck the game if it ain't saying nothin

yeah that's right

everybody got game

but we just here to let you all know

that pe is in full effect

from right now until the year 2000

hey yo my man sing it

there's something happening yeah

what it is ain't exactly clear

There's a man with a gun over there

telling me I've got to be ready

It's time we stop chilling

what's that sound

everybody look what's going down

It's time we stop chilling

what's that sound

everybody look what's going down

hey yo these are some serious times that we living
through g

and a new world order is about to begin

you know what I'm saying

now the question is are you ready

for the real revolution

which is the evolution of the mind

if you seek than you shall find

that we all prove from the divine

you dig what I'm saying
now if you take heed
to the words of wisdom
that are written on the walls of life
than universally we will stand
and divided we will fall
cause love conquers all
you understand what I'm saying
this is a call to all you sleeping souls
wake up and take control of your own seifer
and be on the look out for the spirits tonight
trying to steal your light
you know what I'm saying
look what beside yourself
for peace
give thanks
live life
and release
you dig me
you got me
