Intro

500 years ago one man claimed

To have discovered a new world

Five centuries later we the people

Are forced to celebrate a black holocaust

How can you call a takeover

A discovery

Mass murderer

This side of the planet

Most people take it for granted

502 and still doin

Give a reason I'm hatin

October celebratin

The dead

Of the black the brown and red

Sick an tired

Of bein sick n tired

Dont jump to conclusions

Before I clear the confusion

Ashes to ashes, dust to dust

I'm talkin bout Columbus

Hit me one

I dont hate nobody

I hate that day

Its as crazy as Hitler day

Hangin heads and snappin necks

Splittin up kin

Makin familys wrecked

Turned this planet to a sewer

Provin to all just a lil grab

Will do ya

Or do us

So my disgust

Got credit from the ones that

Read it

Aint blind to the fact

Of a whack headline

And if you didn't I pay

No mind

That's how I feel

That's how I feel

This iz madd real

But these days

Is crazy as Hitler day

I don't hate nobody

It's impossible to discover a land

When people are already living there
Some thanks for the givin
When times are hard
& some got the nerve to pray to God
Aint about turkey
& cider that gets me sick
It's that take from the indian trick
Lookin pretty grim
When they takin da pill
From the sucker seekin somethin to kill
Now he got a day to celebrate
Aint that a trip
Cause the indians aint got shit
May 31st when it comin it hurts
Remember the dead and it makes me curse
When they dont include 100 million
Of us black folks
That died in the bottom of boats
I can carry on bout the killin till
Dusk & dawn
And war ain't the reason they gone
Fourth of July a fuckin lie
When did we ever
Get a piece of the pie
Gotta whole day comin
Without no pay

Cause a fuckin job

Cant gimme no play

Even had enuff I huff & puff

At brothers sellin the stuff

Takin in washingtons

Lincolns

Not they birthdays

Payback for em makin us slaves
