Look around

What do you see

Can you see what I can see

Hard to live without we

Catchin hell without he

Phenomenons, phenoms and prodigys - huh

20,000 maniacs just gotta be

Human highlight flicks

They wanna be

Hobbys turned to robberyys

They killin me

The gun didn't know I was loaded

Devil attempts to get heroes railroaded

Stole the ball from lost souls

For whom the final bell tolls

Confused wit Moses in street clothes

I suppose he the one wit cornrows

Blessed to do this

Outside jay

Do you know the way to the ABA

One on one

He just begun  
Come to the house  
Of the rising son  
I ain't one of these  
Programmed cats  
Just off the black  
Where the shot clock at  
Don't back me if I come  
Wit milky raps  
Smack me if I rhyme on  
Silky tracks  
Takes a nation to get back - huh  
Mike sometimes the opposite  
Of watcha like  
I'm tired of taps within  
Sometimes your brain's your cell  
Prisons the skin you in  
Gettin change beyond the point  
Blank range  
Combined wit the cross it's gettin over strange  
Here comes the son  
But who's gonna stop  
The rain
