She wants a lover right now

But not no brother

Her man gotta have a lotta money

To get under her cover

Now she's a fine sister

But up here she's missin' it

She says she wanna learn about life

No old black bull shit

At the age of 15 a brother gave her a baby

She's 19 now and it drover her crazy

And now everytime

She turns around

All the people in the neighborhood

Look and get mand and sing

CHORUS

Meet Mr. Succesful

I guess he's blessed yeah

But he happens to be a brother

Who only wants blue eyes and blonde hair

Now this young mister

He don't like sisters

He couldn't find that special one  
He know why he missed her  
He says sisters wasn't good enuff  
They only wanted his green stuff  
That's why everytime he turned  
Around all the people  
In the neighborhood  
Looked and got mad  
And sang

#### CHORUS

I try to tell my people  
There should not be any hatred  
For a brother or a sister  
Whose opposite race they've mated  
No man is God  
And God put us all here (yeah)  
But this system has no wisdom  
The devil split us in pairs  
And taught us White is good, Black is bad  
And Black and White is still too bad  
That's why everytime I turn around  
All the people in my neighborhood  
Look mad and sing..

#### CHORUS
