Yes the rhythm the rebel

Without a pause I'm lowering my level

The hard rhymer where you never been I'm in

You want stylin' you know it's time again

D the enemy tellin you to hear it

They praised the music this time they play the lyrics

Some say no to the album the show

Bum rush the sound I made a year ago

I guess you know you guess I'm just a radical

Not a sabbatical - yes to make it critical

The only part your body should be parting to

Panther power on the hour from the rebel to you

Radio - suckers never play me

On the mix - just O.K. me

Now known and grown when they're clocking my zone
it's known

Snakin' and takin' everything that a brother owns

Hard - my calling card

Recorded and orderd - supporter of Chesimard

Loud and proud kickin' live next poet supreme

Loop a troop, bazooka, the scheme

Flavor - a rebel in his own mind

Supporter of my rhyme

Designed to scatter a line of suckers who claim I do
crime

Terminator X

From a rebel it's final on black vinyl

Soul, rock and roll comin' like a rhino

Tables turn - suckers burn to learn

They can't dis-able the power of my label

Def Jam - tells you who I am

The enemy's public - they really give a damn

Strong Island - where I got 'em wild and

That's the reason they're claimin' that I'm violent

Never silent - no dope gettin' dumb nope

Claimin' where we get our rhythm from

Number one - we hit ya and we give ya some

No gun - and still never on the run

You wanna be an S.1 - Griff will tell you when

And then you'll come - you'll know what time it is

Impeach the president - pullin' out the ray-gun

Zap the next one - I could be you're Sho-gun

Suckers - don't last a minute

Soft and smooth - I ain't with it

Hardcore - rawbone like a razor

I'm like a lazer - I just won't graze ya

Old enough to raise ya - so this will faze ya

Get it right boy and maybe I will praise ya

Playin' the role I got soul too

Voice my opinion with volume

Smooth - no what I am

Rough - cause I'm the man

No matter what the name - we're all the same

Pieces in one big chess game

Yeah - the voice of power

Is in the house - go take a shower boy

P.E. a group, a crew - not singular

We were black Wranglers

We're rap stranglers

You can't angle us - I know you're listenin'

I caught you pissin' in you're pants

You're scared of us dissin' us

The crowd is missin' us

We're on a mission boy

Terminator X

Attitude - when I'm on fire

Juice on the loose - electric wire

Simple and plain - give me the lane

I'll throw it down your throat like Barkley

See the car keys - you'll never get these

They belong to the 98 posse

You want some more son - you wanna get some

Rush the door on a store - pick up the album

You know the rhythm, the rhyme plus the beat is
designed

So I can enter your mind - Boys

Bring the noise - my time

Step aside for the flex - Terminator X
