Off the meat rack got my money stacked

Blow out your back no fakin jacks

Kid relax, honey I shrunk the kids

Flipped your wig, on top of the world like 'Pac and Big

Flavor Flav still stay jig

Takin a swing, knock you out like Shannon Briggs

Up on your block, money bustin out my socks

Yo I'm in it for life, I'm takin a piece of the rock

Flavor Flav got a lot, so you know I can't stop

In ninety-eight I'm livin on large estates boy!

Chorus: \*sung\*

Flavor Flav shake yo' booty

Get rich, do your dance, it's your duty

Stack paper, and let's get crazy

Throw your hands in the air then be Swayze

[Flavor Flav]

Sing that shit G, sing that shit G!

Give me the night, like George Benson

and have fun, this jam is number one

We gonna party til it's done, me and DR

In a black car, fat two-seater

Rich like Kedar, on my Def Jam's

Let's see how the ball bounce

I'd lampin, so you know I can't fall

From Strong Island, still buckwhylin, stylin

Profilin, eatin at City Island

Now you know the real score, Flavor's raw

Catch me on tour, makin mad moves for sure

Hittin chicks like galore, we're gonna dance

til we shake the floor, I know you party people want
