Flavor Flav:] You're blind baby you're blind from the
facts on who you are

'cause you're watchin' that garbage.

The woman makes the men all pause

And if you got a woman

She might make you forget yours

There's a 5 letter word

To describe her character

But her brains being washed by an actor

And every real man that tries to approach

Come the closer he comes

He gets dissed like a roach

[REFRAIN:]

I don't think I can handle

She goes channel to channel

Cold lookin' for that hero

She watch channel zero

CHORUS:

She watch, She watch [4x]

[Flavor Flav:] Yo baby, you got to cut that garbage off.
Yo! I wanna watch

the game. {Where's your doin'} Hey yo, lemme tell you

a little som'in: I'm

'a take all your soaps, an' then I'm gonna hang 'em on
a rope. You know what

I'm sayin'? 'Cause that garbage your watchin' don't
make no sense. Hey yo,

lemme tell you a little som'in baby: I'm 'a take your set
an' I'm 'a throw it

out the window. G's.

2, 7, 5, 4, 8 she watched she said

All added up to zero

And nothing in her head

She turns and turns

And she hopes the soaps

Are for real - she learns

That it ain't true, nope

But she won't survive

And rather die in a lie

Falls a fool - for some dude - on a tube

[REFRAIN, CHORUS]

[Flavor Flav:] Yo baby, you think I'm jokin'? Do it look
like I'm jokin'? I

ain't jokin', word up, baby. Yo, cut that garbage off
now. Yo, I got the

Tyson fight on, you know what I'm sayin'? Yo, so you
can't be comin' in here

stackin' {aid} like that, you know what I'm sayin'? Yo,
we gettin' ready to

watch the Super Bowl, we got a black quarterback so
step back.

Trouble vision for a sister

'Cause I know she don't know, I quote

Her brains retrained

By a 24 inch remote

Revolution a solution

For all of our children

But her children

Don't mean as much as the show, I mean

Watch her worship the screen, and fiend

For a TV ad

And it just makes me mad

[REFRAIN, CHORUS]

[Flavor Flav:] Yo baby, can't you that's nonsense you
watchin'? Look, don't

nobody look like that, nobody even live that, you know
what I'm sayin'? You

watchin' garbage, not'in' but garbage. Straight up
garbage. Yo, why don't

you just back up from the TV, read a book or som'in.
Read about yourself,

learn your culture, you know what I'm sayin
