Yo another day

Another 49 cents

Mr. Mr. why you always tryin to take all our money

Because I am the government

And you have to pay

Stop tryin to take our money

Yo you gotta bust this

We want justice

From public enemy number one

To cant trust this

Like F Jim or Hyatt

Because we're sick and fuckin tired

Of being mistreated by the undefeated

Power to the seat that cant be beat

Probably gone is the head that make Clinton defeat

Do all the talkin

Plus crooked walkin

Blind to the fact

That the enemy is stalking

Ways for days

Search United States quite

Were not a full power  
Cause the racial riot  
In my neighborhood  
We attempt to kill each other  
Politics said fuck power to the brother  
Be strong be righteous  
Dont be no sinister  
I got the word from bro. minister (minister)  
Farrakhan speaks  
And so does Muhammad  
The days of Ramagon is  
Protect you can harm it  
My statement is the fact  
To the highest degrees  
Flavor works this style, yo cant touch me  
What kind of power we got  
Soul power (8X)  
Bring it on (I know you got soul)  
Goin on it get it  
Gotta get it on  
Goin on it get it  
Gonna get it on (4X)  
Yo, some seek stardom  
And forgot all about Harlem  
Yo, fugess

Rock the house!  
Now I dont know  
But tell me what you gonna do  
When the ending of time comes near  
What ever you do  
It's gotta be funky  
I am not tryin  
To put your life in full of fear  
By the favor skies  
We are flying  
Truth we be buying  
To buy out all the lying  
How you livin  
Were you livin  
Were you livin  
It aint got to be like that  
By doing the givin  
It was your own choice  
Scratched up your Rolls Royce  
Every dum friend you had  
Was glad to rejoice  
And turned into a nut  
Trying to make the pockets fatter  
One shoot in the head  
Everybody scatter  
The worlds gonna

Catch on fire

A funeral buyer

Is a hard heads people desire

Every night you tryer

You turn into a cryer

Who was just in bed

Thinkin higher, higher

Friends will always move

Till you get the bob wire

Ever common law gets a flat tire

What kind a power we got

Soul power (4X)

What kind a power you got

Soul power (2X)

What kind a power we got

Soul power

Take me on

Goin on it get it

Gotta get it on

Goin on it get it

Gonna get in on (4X)
