Once again this is it

Turn it up

Here we go

But this time the rhyme

Gonna ask who did the crime

Then let's get down to the nitty gritty

Like I wanna know who

Picked Wilson's pocket

Afth he rocket it

Fact he shocked it

Same kinna thing they threw at James

An what did to Redd was a shame

The the Black get

The bigger the feds want

A piece of that ... booty

Intentional rape system, like we ain't

Payed enough in this bitch, that's why I dissed them

I learned we earned, got no concern

Instead we burned so where the hell is our return?

Plain and simp the system's a pimp

But I refuse to be a ho

Who stole the soul?

Ain't, no, different

Than in South Africa

Over here they'll go after ya to steal your soul

Like over there they stole our gold

Yo they say the Black don't know how to act

'Cause we're waitin' for the big payback

But we know it'll never come

That's why I say come and get some

Why when the Black move it, Jack move out

Come to stay Jack moves away

Ain't we all people?

How the hell can a color be no good for a  
neighborhood

Help, straighten me out

'Cause my tribe gets a funny vibe

They I'm wrong for singin' a song

Without solutions

All the dancers answer questions

And try to be the best and...

Let everybody know before I blow

For the sake of what's right

I wanna know who stole the soul?

We choose to use their ways

And holidays notice some of them are heller days

Invented by those who never repented

For the sins within that killed my kin  
But that's all right  
I try do what a brother does  
But I'll never know if you're my cuz  
That's why I try my best to unite  
And damn the rest if they don't like it  
Banned from many arenas  
Word from the motherland  
has anybody seen her  
Jack was nimble, Jack was quick  
Got a question for Jack ask him  
40 acres and a mule Jack  
Where is it why'd you try to fool the Black  
It wasn't you, but you pledge allegiance  
To the red, white, and blue  
Sucker that stole the soul
