Breaking down the rules, let's have some fun
Make no mistake like a loaded gun
It's far too late, what should be done
Right before you go, we switch to run
What makes me paranoid, is it you or just another
screaming?

BANG!BANG!THE RADIO

Get your body shaking, there's a riot in the air
SNAP!SNAP!Your fingers now, who is number one?

BANG!BANG!THE RADIO

Get your body shaking, there's a riot in the air
SNAP!SNAP!Your fingers now, who is number one?

IN THE CABARET?

What a creepy dream, I cut my fingers off
Faded mannequin, cold sweat and row
I will burn, I will fly, I will fight the light
Dancing in these shoes are they too tight
Are they?oh, really, or just another screaming?

BANG!BANG!THE RADIO

Get your body shaking, there's a riot in the air
SNAP!SNAP!Your fingers now, who is number one?

BANG!BANG!THE RADIO

Get your body shaking, there's a riot in the air
SNAP!SNAP!Your fingers now, who is number one?

IN THE CABARET?

Get another drink (night is a vampire)
The whore silver wig (night is a vampire)
Where are you gonna hide (night is a vampire)
That's all right, get your body movin'

BANG!BANG!THE RADIO

Get your body shaking, there's a riot in the air
SNAP!SNAP!Your fingers now, who is number one? **IN**
THE CABARET?
