So, so what happens in your room??When you're all  
alone with me at home goin' crazy over you ?  
Behind these bedroom walls ?Every night I sing along  
with all her favorite songs ?I sing until my voice is  
gone, until my lungs are bleeding ?Tell me you don't  
miss these brown eyes ?And that you're not in love. ??  
Take this stupid heart (take this stupid heart)?I know  
it's all you ever want me for (all you ever)?And I hope  
you keep it close so everyone knows ?That it's all  
because of you ?That I'm dead to the world ?  
I hate, hate the way you look at me ?Where's the pills  
that cure that thing that you call sweeping me off my  
feet ?It's girls like you that keep open graves ?For boys  
like me that keep themselves locked up for days ?  
Behind these bedroom walls ?Every night I sing along  
with all her favorite songs ?I sing until my voice is  
gone, until my lungs are bleeding ?Tell me you don't  
miss these brown eyes ?And that you're not in love. ??  
Take this stupid heart (take this stupid heart)?I know  
it's all you ever want me for (all you ever)?And I hope  
you keep it close so everyone knows ?That it's all  
because of you ?That I'm dead to the world ??I won't  
wait for you to make me stop. ?Behind these bedroom  
walls ?Every night I sing along with all her favorite  
songs ?I sing until my voice is gone, until my lungs are  
bleeding ?Tell me you don't miss these brown eyes ?  
And that you're not in love. ??Take this stupid heart  
(take this stupid heart)?I know it's all you ever want me  
for (all you ever)?And I hope you keep it close so  
everyone knows ?That it's all because of you ?That I'm  
dead to the world ?(2x)
