If I could
I'd blow the sun out
And bury you deep
Within my bed?
I'd give you my lungs
To breathe as I do
As if you're in love,
As if it's the end
(the end, the end, the end)??
And we're never waking up
(We're never waking up)
(2x)
I let my arms
Move as they wish?
They fall into place,
So jealously?
And we're never waking up
(We're never waking up)
(2x)??I'm fallin' slowly into
All the dreams
We've left behind?Forever a sleepwalker
And we're never waking up
(We're never waking up)
(3x)

And we're never waking up
