Tonight I'd rather be in love? Rather it was you flowing
through my blood? Scraping through my veins my
everything? And you cling to every thread ? That clings
to me?? I live in notes and photographs? And everything
I'm holdin' back? But you're the words that weren't
enough? You remind me of a song I used to love?? I
couldn't call you if I wanted? My fingers couldn't work if
they tried? They're so sore from keeping crossed? And
tracing over cuts on my worthless arms? If I said, "I
hated the feeling," it would be a lie?? I live in notes and
photographs? And everything I'm holdin' back? But
you're the words that weren't enough? You remind me
of a song I used to love
