It's Sad to Belong
England Dan & John Ford Coley

Met you on a springtime day
You were mindin' your life
And I was mindin' mine, too

Lady when you looked my way
I had a strange sensation
And, darlin' that's when I knew...

That it's sad to belong to someone else
When the right one comes along,
Yes, it's sad to belong to someone else
When the right one comes along.

Oh, I wake up in the night
And I reached beside me
Hopin' you will be there

But instead I find someone
Who believe in me when I said
"I'd always care."

Oh it's sad to belong to someone else
When the right one comes along,
Yes, it's sad to belong to someone else
When the right one comes along.

So I lived my life in a dreamworld
For the rest of my days
Just you and me walkin' hand in hand
In a wishful memory
Oh, I guess that's all
That it would ever be.

Wish I had a time machine
I could make myself go back
Until the day I was born,
And I would live my life again
and rearrange it so that I'll be

Yours from now on.

Oh it's sad to belong to someone else
When the right one comes along,
Yes, it's sad to belong to someone else
When the right one comes along. br>
